

Dr. Christopher P. O'Brien MD MBA MPH
Board Certified Ophthalmologist
AUPO Fellowship-Trained Pediatric Ophthalmologist

Your child has an appointment with Dr. O'Brien on: ____ / ____ / ____ at ____:____^{am}/_{pm}

Please Bring To Your Appointment:

- all insurance cards and your drivers license
- a list of any surgeries, medical illnesses, and current medications
- the names, address, and phone number for all doctors your child sees
- please complete new patient paperwork prior to your appointment, available on the website at www.BrightEyeConsultants.com/forms/
- Dr. O'Brien will probably need to dilate your child's eyes during the first visit. This takes time. Please expect the visit to take up to 2 hours. After dilation, you child may experience blurry vision or light sensitivity for 24 hours.
